Brand new MACS shop opens in Huercal Overa

MONDAY December 15 saw a new offering in Huercal Overa with the opening of the brand new MACS shop.

Mojacar Area Cancer Support (MACS) already had two stores in Mojacar and Abox, but there has been a need in the Huercal Overa area for some time.

MACS was established in 2007, the dream of Elaine Brown who had seen the need for a support group for cancer sufferers, their families and their care givers. Back in 2007, what began as a coffee morning, rapidly grew into a thriving group that has helped many people through the

support, all things that can make a real difference to the life of a cancer patient. Opening a new shop takes a huge amount of work, and many people and businesses rallied around to ensure things ran smoothly. Many people attended

the grand opening to show their support for the new store. In addition to the mayor of Huercal Overa, there was also Monica Navarro, councillor for Commerce in Huercal Overa and Alejandro Guerrero Salvador, the Honorary British Consul of Almeria, who cut the ceremonial ribbon. Additional support was provided by FACE Arboles, Mojacar Freemasons, Voss Estates, Dames in Turra and architect Juan Antonio Garcia Iorraine Cundy and Sue Pearce from FACE (Fundraising in Arboles Caring for

Everyone) were at the opening to present MACS with a cheque for €500. Although only officially open for 90 minutes, the store still raised €347.73. The new store is open from 10am until 2pm Monday to Friday and is located at LESIA Carretera Estacion, Huercal Overa. Those interested in volunteering should call 634 338 334. If you need cancer support please call 634 656 555.
